

Plenum I Meeting in a Walk-In Sculpture

Perfect as a Think Tank, for presentations, discussions, and creative inspiration

In the heart of AXICA, the Plenum welcomes you – a walk-in sculpture of stainless steel and pine wood. This extraordinary space breaks with conventional architecture: oval in shape, with tiered levels reminiscent of a parliament, it creates an inspiring, open, and almost intimate atmosphere. A place where ideas thrive, visions grow, and conferences become catalysts for innovation.

Conference package Plenum / per person from € 95,00

The package applies for groups of 10 or more, up to 8 hours, and includes:

- Room rental
- Setup, furniture, high-speed internet, and final cleaning
- Catering: beverage station in front of the room throughout the event, two coffee breaks, and a business lunch selected by the chef
- Built-in technology

We are happy to offer additional options for breakout rooms, tech upgrades, and culinary highlights upon request.
